2. Hračky sú už upratané,
ponáhľajte sa do vane.
Do postielok rýchlo bežte,
nechce sa nám spinkať ešte.

No tak dobre, ešte chvíľu,
vrváte, že máte silu,
mám tu zopár ďalších vecí,
pripravení všetci?

A teraz umyť zúbky!

3. Ráno budem vstávať s úsmevom,
večer si upracem hračky.
Potom poukladám veci,
umyjem si zúbky
a budem poslúchať.
